"Helping Churches Help Others"

Have you heard??

Diaper Ministry started at Bethel Assembly of God in Sycamore. A helpful resource for this in need whether it's your first child or third or need help with all three in this area. They can also use diapers, wipes, and other cleaning things for this ministry. Thank you Bethel for putting this together to reach this group of people in need.

We welcome aboard three new intake workers and one new board member. All four have answered a call to serve the ministry, those in need, and local churches. We appreciate your giving of time as you are "loving God and loving your neighbor."
